**Objectives:** Making students aware of the different cultural systems and the way they work. Students will gain an overview of the German system of higher education and the specific learning culture at RheinAhrCampus, enabling students to function successfully in an unfamiliar environment.

### Content:

- Analysing and reflecting on students' own culture as well as foreign cultures and their norms and values.
- Learning about German ways of thinking and behaviour in everyday situations as well as in the classroom
- Providing information on the local learning culture, e.g. what RheinAhrCampus lecturers expect from their students

### Prerequisites:

This course is designed for exchange students at RheinAhrCampus.

**Methods:** Exercises and role plays; communicative and interactive learning techniques

**Assessment:** Oral presentations during the workshop
